# OCEAN CAY MSC MARINE RESERVE

Our ships call at Ocean Cay MSC Marine Reserve, a true Caribbean haven in the Western Bahamas, just 105 km East of Miami.

From November 2019, discover our private island in the Bahamas. Ocean Cay MSC Marine Reserve boasts miles of pristine beaches, fun activities and an authentic Bahamian village with bars, restaurants and shops. There's even a marine reserve with a flourishing coral reef. It's a true slice of heaven.

Because this is not just any cruise.

# Step out of your dreams and onto some of the world's best beaches, exclusively for MSC Cruises guests.

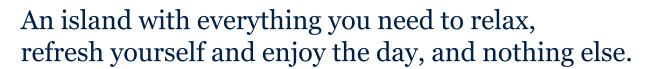

# **Ocean Cay MSC Marine Reserve**

In a world where heaven seems to slip ever further away, there's a place to reclaim it. Ocean Cay MSC Marine Reserve is more than a spot on the map. It's the portal to an authentic, preserved and more vivid world. A single day at Ocean Cay will make you part of a special group: the relative few who have experienced the island and its authentic attractions. Come with your curiosity, and leave changed by the imprint of a place like no other. Once the ship docks in the crystal clear water that laps against the shore of the island, just a step away is an eco-friendly haven waiting to be discovered. This is not a theme park, something imposed on its surroundings. It is a place of natural beauty, a pristine world for the exclusive enjoyment of MSC Cruises guests. It is also a place where the Bahamian spirit comes alive in the surroundings, and in the warm welcome of our local staff. The island offers a variety of attractive venues and activities, from the village and market to the restaurants and bars to the beaches and the marine reserve. The mysteries of the oceans and how to protect them are here to be discovered. Guests can hike, swim, and dive. Or simply stretch out on the sand and enjoy the sun. And, the ship remains fully accessible at all times, offering the same activities, meals and leisure options as always.

Experience the elements in their purest form, and discover a haven made personal. Whether you choose to relax in tranquil solitude or revel in fun with family and friends, each moment you spend on Ocean Cay is exquisitely your own.

Because this is not just any cruise.

## Relaxation

Ocean Cay boasts miles of pristine white sand spread over eight distinct beach areas. Each beach offers plenty of sun beds, and some have a limited number of cabanas, which you can rent. There is also an MSC Aurea Spa area, where you can enjoy locally inspired services, choosing from a selection of relaxing body and facial treatments.

# **Eating & Drinking**

Ocean Cay boasts a variety of eating options, available at the Seakers Buffet. Atmospheric cocktail bars, an ice cream parlour and a coffee bar offer refreshments of all kinds. The onboard restaurants, buffet and bars also operate regularly while the ship is docked at the island.

# **Entertainment & Shopping**

From sports tournaments and dance lessons to live music and even a pop-up cinema at night, you can enjoy a fantastic variety of activities on the island. You can also mix your sunbathing with a bit of shopping for souvenirs or beach items, thanks to the Bahamian Shop & Market, and the Ocean Cay Trading Post other shops.

## **Excursions**

This island offers a wide variety of tours in and around the water. You can snorkel over the reef, take flight on a parasailing adventure or spend the day drifting on a floating mat.

And the fun continues after the sun goes down. Night-time tours include stargazing on the beach, glass-bottom boat tours and romantic sunset boat tours.

# Family & Kids

Ocean Cay is a haven for children too. The Seaker Lagoon beach area is dedicated to families with kids. Boasting shallow water and a floating submarine attraction, it's the ideal place for your children to have fun. We also organize dedicated activities for kids and families both on the beaches and in a series of shaded areas.

MSC Yacht Club

Located in a secluded part of the island, only accessible via a dedicated path, lies a beach exclusively dedicated to MSC Yacht Club guests. The area boasts sun beds, cabanas and our renowned personal butler service, while the nearby colonial-style guest house and restaurant offers a place to sip a cocktail and enjoy a gourmet lunch.

Relax and enjoy a world of fun activities, surrounded by long stretches of white sandy beaches, palm trees, exotic fruit and coral reefs bustling with multi-coloured tropical fish in a turquoise sea.

Because this is not just any cruise.

12

# As you hop from one charming island to another, soak up the sun and embrace the dazzling diversity.

# **Caribbean & Antilles**

When a region is made up of over 700 individual islands, organized into 30 different territories, diversity is bound to be a big part of its personality. And the spectacle offered by the Caribbean & Antilles is nothing if not diverse. From Barbados to Jamaica, from St. Lucia to the Bahamas, from Guadeloupe to Trinidad & Tobago, not forgetting Miami and Mexico's Costa Maya, white beaches and azure waters are only the start of a technicolour cornucopia.

Look around you and admire the abundance of iridescent tropical fish, the intense green forests, the carnival costumes and the rainbow tones of the architecture.

The cliché is vividly true: in the Caribbean, colour is everywhere. Even the food is colourful, not to mention deliciously varied and irresistibly aromatic. Add a seductive soundtrack of some of the world's best

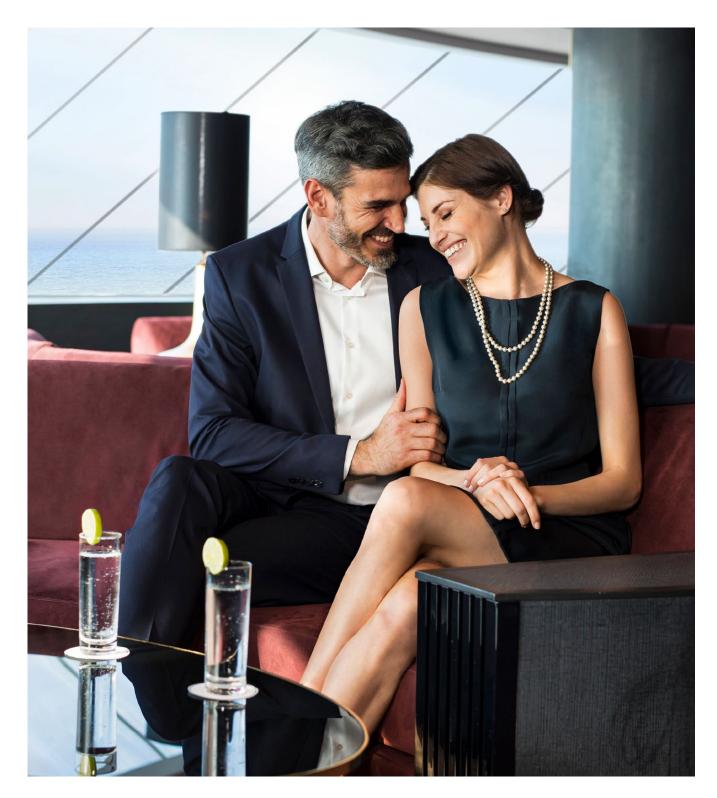

of some of the world's best music, and you have all the ingredients of a fabulous feast for all the senses. This rich multi-sensory environment forms the stunning backdrop to an exhilarating variety of activities, from snorkelling and scuba diving to kayaking and paddle boarding, from jungle treks and leep adventures to scenic island tours and sun-soaked catamaran cruises. All of it immersed in an atmosphere where the clocks seem to have stopped long ago, plunging you into a timeless world of colonial villages, rum plantations and pirate's coves.

Picture a ship within a ship: lavish suites, a panoramic private lounge, a dedicated restaurant and an exclusive sundeck with pool and whirlpool baths. Add unlimited drinks, a 24-hour butler service and concierge reception. That's the MSC Yacht Club.

Because this is not just any cruise.

Exclusivity & privacy in a world of choice.

Set in its own private area on the prestigious foredecks of the ship, the MSC Yacht Club reserves its privileges to those who expect a superior cruising experience. Immersed in lavish surroundings, relish the round-the-clock attention of your Butler. Whether being welcomed on board at the dedicated concierge reception or being served complimentary drinks when lounging by the private pool, you'll appreciate the personalized service that represents the heart of the MSC Yacht Club experience. In the MSC Yacht Club, no effort is spared to satisfy your every need. Everything is designed with your comfort in mind, starting with the elegant accommodation. Each MSC Yacht Club suite is a triumph of Italian style, where you can relax on a memory foam mattress with Egyptian cotton sheets and your choice of pillows. You can refresh yourself at will from the complimentary mini-bar. And in our new Royal Suites, you can even bask on the balcony in your own private whirlpool bath.

Every detail within the private MSC Yacht Club area has been designed to reward all your senses. Enjoy the refined flavours of our chef's masterpieces, served in an exclusive gourmet restaurant and accompanied by carefully selected wines, as well as further complimentary treats throughout the day. Relax in the exclusive MSC Yacht Club lounges and private areas. And in addition to all the private MSC Yacht Club facilities, the rest of the ship will also be at your disposal. So you can enjoy the wide variety of leisure options, from theatre shows and musical performances to the gym and speciality restaurants, and of course the MSC Aurea Spa with its priority access for MSC Yacht Club members.

The best thing about a cruise is not having to worry about anything. So don't. Just enjoy all the comforts your ship provides. You can also enrich your experience according to your own preferences.
